The Restrictions may not be amended except by unanimous consent of all record owners of lots in the Subdivision until twenty (20) of the lots in the Subdivision have been sold by the Developer after which time sixty percent (60%) of the record owners of lots in the Subdivision may at any time by written agreement amend any or all of the Restrictions, provided that notwithstanding anything to the contrary herein, sixty percent (60%) of the record owners of lots in the Subdivision may at any time amend the Restrictions where necessary to comply with regulations of the Veterans Administration, the Federal Housing Administration or any other governmental agencies exercising jurisdiction over the Subdivision. No amendment of the Restrictions may require a lot owner to remove any Structures or fence constructed in compliance with the Restrictions existing on (i) the date on which the construction of such Structures or fence commenced; or (ii) the date on which such owner took title to his lot if the construction of such Structures or fence commenced within 90 days of his taking title. Any such amendment shall not become effective until the instrument evidencing such amendment has been filed of record. Every purchaser or subsequent grantee of any interest in the Subdivision by acceptance of a deed or other conveyance therefor, thereby agrees that the Restrictions may be amended as provided herein.

17. If any person, firm or corporation, or their heirs or assigns, shall violate or attempt to violate any of these Restrictions, it shall be lawful for any other person or persons owning any lot in the Subdivision to prosecute any proceeding at law or in equity against the person or persons violating or attempting to violate any Restrictions whether such proceeding is to prevent such persons from so doing or to recover damages or other dues for such violation.

18. Invalidation of any one of the provisions contained in the Restrictions by judgment or court order shall not affect any of the other provisions of the Restrictions, which shall remain in full force and effect.
