Jeanne T. McCafferty, 1593 Tredegar Drive, Fort Myers, FL 33919

Ann W. Sell, 5322 Shalley Circle West, Fort Myers, FL 33919

has submitted these Revived Restrictions for Whiskey Creek Country Club Estates, Unit A (the "Revived Restrictions") for revival to the parcel owners affected by the Previous Restrictions for approval pursuant to Section 712.12, Florida Statutes, and Sections 720.403 to 720.407, Florida Statutes; and

WHEREAS, this Revived Restrictions govern only the parcels which were originally encumbered by the Previous Restrictions and do not contain covenants that are more restrictive on the parcel owners than the covenants contained in the Previous Restrictions. The Revived Restrictions contain covenants that are less restrictive than the Previous Restrictions, and omits restrictions contained in the Previous Restrictions, all as permitted by Section 720.404(3), Florida Statutes.

NOW, THEREFORE, the Revived Restrictions hereinafter set out shall be applicable to all lots in Whiskey Creek Country Club Estates, Unit A, as shown on Exhibit "A" and Exhibit "B" attached hereto and made a part hereof being those lots in Blocks E, F, G, H, I and J, Unit A, shown on the plat of Whiskey Creek Country Club Estates, Unit A, as recorded in Plat Book 25, Pages 138-142, Public Records of Lee County, Florida, and the Replat of Part of Undivided Block E and Part of Undivided Block I-J, Whiskey Creek Country Club Estates Unit A, recorded in Plat Book 29, Pages 109-110, Public Records of Lee County, Florida, and shall run with the land and shall be binding upon all parties and persons claiming under them.

PART B: AREA OF APPLICATION

B-1: The covenants and restrictions, in their entirety, shall apply to the following described property, situate, lying and being in Lee County, Florida, more particularly described as follows, to-wit:

Blocks: E, F, G, H, I and J, Unit A, as per plat thereof which appears of record in Plat Book 25, Pages 138-142 Public Records of Lee County Florida and Replat of Undivided Block E and Part of Undivided Block I-J, Unit A, Plat Book 29, Pages 109-110, Lee County Public Records.

PART C: RESIDENTIAL AREA COVENANTS

C-1: BUILDING REOUIREMENTS: The lots herein referred to shall be used solely and exclusively for residential purposes, and no lot or parcel shall be used except for residential purposes.

Except as otherwise provided in these restrictions, no building shall be erected, altered, placed or permitted to remain on any lot other than one detached single family dwelling not to exceed two stories in height; and all garages, carports, patios, screened enclosures and/or other auxiliary buildings shall be attached and made part of the dwelling house. The buildings to be erected or maintained shall be of new and durable materials.

LOT GRADING: Floor levels shall be set sufficiently above street grade to provide proper drainage of the respective lot, and no filling or grading shall be done that will adversely affect the proper drainage of adjacent property. Protective slopes around all buildings shall be provided on every lot by the respective owner, and side lot line swales shall be planned and maintained to prevent standing water in the rear. It shall be the responsibility of each owner to see that his lot conforms to F.H.A. No. 300, "Minimum Property Standards for One and Two Living Units" (Gen. Rev. No. 5), Section No. 1202, Pages 234 to 244 inclusive. This places an especial responsibility on the first builder in any neighborhood to refrain from blocking side lot line easements in excess of the minimum 1% slope toward the street.

C-2: SIZE AND DESIGN OF BUILDING: All buildings are to be of a design and of construction in keeping with those of the surrounding residential area. The main residence building to erected on any lot adjoining the Golf Course shall have a living area of not less than 1600 square feet, and all remaining lots, a living area of not less than 1400 square feet. Living area shall exclude all screened or open porches, breezeways, garages or carports, utility and/or laundry area, whether finished or unfinished.

SIDEWALL MATERIAL: Cement block, where used, must be stuccoed or concrete sprayed or veneered with wood, brick or stone. No asbestos shingles or asbestos siding or any type of asphaltic covering shall be used on exterior walls.

C-3: MINIMUM SETBACK LINES ETC.: Certain minimum setback lines may be indicated on the plat of record, and no structure shall be erected or maintained nearer to the respective property line than said setback line. Buildings and structures shall be erected, altered, and/or used only in accordance with Lee County, Florida, zoning and building regulations from time to time in force. Where no minimum setbacks are indicated on the plat of record, the said county zoning regulations shall govern.

Nothing in these restrictions shall be construed to require all dwellings to be parallel to the defined setback lines.

All measurements shall be to the nearest vertical part of the structure at the interior floor level, exclusive of paved patios or privacy fences. No split-level dwelling or two-story dwelling shall be erected nearer than 11 feet from any side lot line.

EAVES: Eaves on dwellings may overhang in accordance with Lee County, Florida, Zoning and Building Regulations from time to time in force.

The front of all dwellings must face the street, except that owners of corner lots at the intersection of two or more streets may elect to build a dwelling fronting either street, or at an angle to the intersection of said streets. Four-sided corner lots shall be deemed to have two front setbacks and two side setbacks only.

C-4: GARAGES AND CARPORTS: On those lots adjoining the Golf Course each dwelling shall be constructed with an enclosed garage or carport for not less than two cars, and on all other lots each dwelling shall be constructed with an enclosed garage for at least one car, or a carport for a minimum of two cars. No garage or carport shall be erected on any lot prior to the construction of a dwelling. The garage or carport shall be of the same kind of materials as the dwelling, shall be of substantial construction, and shall conform architecturally with the dwelling.

C-5: LAWNS DRIVEWAYS AND LANDSCAPING: All lawns in front of each residence lot shall extend to the pavement line. No gravel, blacktop or paved parking strips are to be allowed, except as shown on the plat plan approved by the developer, its successors or assigns. All driveways from the lot line to the street pavement shall be constructed of reinforced concrete, a minimum of four inches in thickness, with trowel, broom finish, or concrete or brick pavers.

C-6: WALLS AND FENCES: No wall, fence or other enclosure of any kind shall be constructed or maintained, except as follows:

- (a) Between street and front setback lines: None.
- (b) Along the side lot line between the front setback line and the back lot line: Not over six feet high.
- (c) Along the back lot line: Not over six feet high.
- (d) When surrounding the immediate perimeter of a terrace or patio area, and when attached to, or adjoining the dwelling house: Not over six feet high within the front, side and rear building setback lines. This restriction does not apply to completely enclosed screened area attached to the dwelling house.

C-7: OTHER STRUCTURES: No structure of a temporary character, trailer, house trailer or tent, shack, garage, barn, barracks-type structure or other outbuilding shall be erected, maintained or used on any lot at any time, either temporarily or permanently, except that necessary construction sheds may be temporarily maintained during construction of a dwelling, but shall be promptly removed upon completion of such dwelling, and not later than six months after original commencement of the construction of such dwelling, and further except that a single utility shed per lot is permissible as follows: a) must meet Lee County's minimum requirements; b) maximum footprint cannot exceed eighty square feet (80 sq. ft); c) total height including the roof cannot exceed eight feet (8 ft); d) exterior colors of wall, trim and roof must match the exterior color palette of the dwelling on the lot as closely as possible; and d) cannot be used to store any type of animal.

C-8: NO RE-SUBDIVISION: No lot or group of lots herein described shall be re-subdivided, except, however, an owner of more than one adjoining lot may sell part of one lot to the owner of the adjoining lot, but by so doing, the remaining part of the lot will then become part of said owner's next adjoining lot, and the balance will have to be sold as one tract.

C-9: SANITARY FACILITIES: No outdoor toilets shall be erected or maintained on any of the premises herein described, nor shall any septic tanks be constructed or maintained on any of the premises herein described.

C-10: WATER SYSTEMS: All buildings which are constructed on any of the lots on the premises herein described shall be connected to the water system of Lee County, Florida, its successors and assigns, and shall be subject to installation fee, as well as for charges of water consumed.

All owners of lots within the premises herein described expressly grant to Lee County, Florida, its successors or assigns, a license for any of its agents or employees to enter upon any of the premises herein described for the purpose of installation of water meters, water lines, and for routine reading of meters and servicing maintenance of any part of such installation. No saline or other regenerating solution from water softening equipment shall be discharged into any street right-of-way.

C-11 SEWERAGE SYSTEM: All buildings which are constructed or maintained on any of the lots in the premises described herein shall be connected to the sewer system of Lee County, Florida, its successors or assigns, and shall be subject to connection charges for making connection to such sewer system, and regular charges thereafter for sewer services.

All owners of lots within the premises herein described expressly grant to Lee County, Florida, its successors or assigns, a license for any of its agents or employees to enter upon any of the premises herein described for the purposes of installation or inspection of such sewer lines, and for servicing and maintenance of such facilities.

C-12: UNSIGHTLY OBJECTS: All garbage or trash containers, outside clotheslines, oil tanks, bottled gas tanks and water softening equipment on all residence lots must be underground or placed in walled-in areas, and must be hidden from view by a structural wall or fence, so that they shall not be visible from the adjoining properties, or from the Golf Course, except that garbage or trash containers may be stored near either side of the residential building, but not on the front, without being underground or placed in a walled-in area and hidden from view. No

weeds, underbrush or other unsightly growths shall be permitted to grow or remain upon the premises herein described, and said premises shall at all times be kept mowed and clear of debris and vegetation that may be either a health or a fire hazard to the neighborhood. In the event the owners of any lot or lots shall fail or refuse to keep the premises free of weeds, underbrush or refuse piles, then the developer, its successors or assigns, may enter upon said lot or lots and remove such refuse or mow or cut such weeds or underbrush and charge the owner for such services, and such entry on the part of the developer, its successors or assigns, shall not be deemed a trespass. Absolutely no burning of trash or garbage shall be permitted on any lot, except during the initial construction period.

C-13: UNLAWFUL USE OF PROPERTY: No unlawful, improper or immoral use shall be made of any of the premises herein described or referred to.

C-14: NUISANCES: No noxious or offensive trade or activity shall be carried on upon any lot, nor shall anything be done thereon which may be, or become, an annoyance or nuisance to the neighborhood.

C-15: ANIMALS: No animals, livestock or poultry of any kind shall be raised, bred or kept on any lot except that usual household pets may be kept provided they are not involved in any commercial purpose and they do not constitute a nuisance. Pet owners shall assume full responsibility for all actions of their pets. Vicious or threatening behavior of free-running dogs shall be considered a nuisance. Exposed excrement on lots, lawns or boulevards shall be considered a nuisance.

C-16: EASEMENTS: Easements for installation and maintenance of utilities and drainage facilities are reserved, as shown and described on the recorded plat. Within these easements, no structure, planting or other material shall be placed or permitted to remain which may damage or interfere with the installation and maintenance of utilities, or which may change the direction of flow of drainage channels in the easements, or which may obstruct or retard the flow of water through drainage channels in the easements. The easement area of each lot, and all improvements in it, shall be maintained continuously by the owner of the lot, except for those improvements for which a public authority or utility company is responsible.

Where more than one lot is used as a single building site, only the outside boundaries of said building site shall carry said easements, except for platted maintenance easements which shall run with the land.

All easements noted on the subject plat are hereby reserved for underground and overhead utilities in addition to the purposes specifically mentioned thereon.

Drainage channels in easements on any subject lot shall be kept free of debris and obstructions by the property owner, and no earth fill shall be allowed to encroach upon the slopes of said channel banks. In the event the property owner fails to, or refuses to, carry out his obligation, Lee County, Florida, or the developer, may enter upon the property, execute the necessary work and charge the cost back upon the owner.

C-17: GOLFERS' EASEMENTS: All owners and occupants of any lot adjoining the Golf Course shall extend to any and all golfers lawfully using the golf course, the courtesy of allowing such golfers to retrieve any and all errant golf balls which have taken refuge on any lot in the

subdivision, provided such golf balls may be recovered without damaging any flowers, shrubbery or the property in general of the owner of any such lot.

C-18: VISIBLE PARKING OR STORAGE: No vehicle of any kind, including but not limited to trucks, trailers, boats, racing cars or commercial equipment, shall be parked or stored, except inside an enclosed garage, subject to the following exceptions:

- (a) This restriction does not apply to family type non-commercial automobiles, SUV's or passenger vans, nor does it apply to non-commercial trucks with a manufacturer's Gross Vehicle Weight Rating (GVWR) of 10,000 pounds or less;
- (b) It does not prohibit the parking or storing of boats and boat and other trailers, which are used solely for personal or household purposes, in side or rear yards, but only if they are substantially concealed from public view by a wall, hedge, solid fence or other structure;
- (c) It further does not prohibit the parking of boats, boat and other trailers, and recreational vehicles, which are used solely for personal or household purposes, on driveways not exceeding twelve (12) times a calendar year and not exceeding a period of seventy-two (72) hours each time; and
- (d) It does not prohibit the parking of commercial vehicles during the performance of construction, repair or regular performance of service functions of the tradesman or owners operating same, but such parking must be limited to the actual time during which such services are being performed.

C-19: UNDERGROUND UTILITIES: All utility lines and lead-in wires including, but not limited to, electrical lines and telephone lines, located within the confines of any lot or lots within said premises herein described, shall be located underground, provided nothing herein contained shall prevent an aboveground temporary power line to a residence during the period of construction.

C-20: STREET LIGHTING: There will be a system of street lights established throughout the premises aforesaid. All costs for maintenance, administration and upkeep and for the electricity to operate same shall be borne by the respective lot owners on a prorata basis, as hereinafter set forth. All said costs shall be prorated equally among all the lots on a calendar year basis. Developer may assign to any association or organization of property owners within the premises herein described all its right, title and interest in and to said system and all its rights and duties in connection with maintenance, administration and upkeep of said system and collection of charges aforesaid, including its lien rights and the right of enforcement of said lien as herein provided. The provisions of this paragraph shall continue in full force for 20 years from the date hereof or until such earlier time as a governmental body undertakes the operation of said system. Each lot owner shall use his best efforts to further the establishment of a "Street Lighting District". Upon the formation of said district or upon another governmental agency undertaking the operation of said system, Developer shall forthwith assign to said district or governmental agency all its right, title and interest in and to said system and all its rights and duties in connection with maintenance and upkeep of said system and collection of charges aforesaid; provided, however, said district or governmental agency shall have only those lien rights provided by law. Nothing in these restrictions shall be construed as a guarantee by the Developer that he will continue the

administration of the STREET LIGHTING system beyond the term of one year from the date of this instrument, nor does the Developer assume responsibility for STREET LIGHTING expenses.

PART D: GENERAL PROVISIONS

D-1: ENFORCEMENT: If the owner of any lot in the above described subdivision shall violate or attempt to violate any of the covenants herein, it shall be lawful for any other lot owner within said subdivision to prosecute any proceedings at law or in equity against the person violating or attempting to violate any such covenants, either to restrain him from such violation or to recover damages therefor, or both. Although Developer may enforce the covenants contained herein it shall not be obligated to do so. Any person, including Developer, who shall bring successful legal proceedings to enforce said covenants shall be entitled to recover his costs and reasonable expenses of such proceedings, including a reasonable attorneys' fee, including appellate proceedings, from any person found to be in violation of said covenants, provided the violator shall have first been given written notice of his violation and at least 30 days in which to correct it.

D-2: LIENS: Developer shall have a lien against the property of a defaulting owner in said subdivision to secure the payment of all charges incurred as a result of any defaults hereunder, including but not limited to defaults under paragraphs C-16 and C-20. Said lien shall exist and take priority only from the time of the recording of a notice of such lien in the Public Records of Lee County, Florida, specifically describing the lots covered by the lien and the amount and nature of the unpaid charges claimed. All charges shall bear interest at the rate of 10% per annum from the date incurred, whether a lien is filed or not. In the event it becomes necessary to employ legal counsel to collect said charges through foreclosure or otherwise, Developer shall be entitled to all costs and expenses reasonably incurred, including reasonable attorneys' fees, including appellate proceedings.

D-3: BINDING EFFECT: All the covenants and restrictions herein shall run with the land and be binding upon the heirs, executors, administrators, legal representative, successors, and assigns of the respective parties hereto, and shall remain in effect for a period of 20 years from date hereof and shall be automatically renewed for successive 10 year periods unless the owners of a majority of the lots execute and record in the Public Records of Lee County, Florida, an instrument specifically rejecting a subsequent renewal. The word "owner" herein shall include the singular and plural, and the masculine, feminine and neuter genders, whenever and wherever the context so admits or requires. The word "Developer" herein includes Developer, its successors and assigns.

D-4: AMENDMENTS: These restrictions and covenants may be amended as follows:

- (a) By the Developer or Trustee so long as either owns one or more lots in said subdivision, or,
- (b) By written consent of the owners of a majority of the lots in the subject unit of the subdivision.
- (c) Said modifications shall take effect when duly executed and recorded in the Public Records of Lee County, Florida.

(d) Paragraph C-20 may be amended only with the consent of the Developer, so long as it retains an interest in the street lighting system.

D-5: INVALIDATION: Invalidation of any one or more of these covenants and restrictions by judgment or court order shall in no wise effect any of the other provisions which shall remain in full force and effect.

IN WITNESS WHEREOF, the Organizing Committee of Whiskey Creek Country Club Estates, Unit A, has caused this instrument to be executed this 7th day of August, 2019 and certifies that the requisite number of affected parcel owners have, by written consent, approved this Revived Restrictions pursuant to Section 712.12, Florida Statutes, and 720.403, et seq., Florida Statutes.
